

Caterpillars learning

In world nursery rhyme week we loved playing the magnetic fishing game as we sang 1,2,3,4,5 and had a new class pet dog named BINGO!

We learned about staying safe as we 'Stop! Look! Listen!' as we cross the road. The children loved our local walk and were very sensible about crossing. In December, we've been decorating our Christmas tree and using the clay to make stars and singing lots of festive songs.

Happy
Christmas to
you and
your family
&
Best wishes
for 2023!

Butterflies learning

I hope you are not feeling ill...our Doctors roleplay in Butterflies class has been very busy lately. We've been testing temperatures, giving 'injections' and listening to heartbeats!

We have been learning the vocabulary for different feelings and talking about ways to be a kind friend.

In December we started singing festive songs, listening to the Nativity story and learning the poem of the little snowman with a carrot nose.

For your diary:
School closes on
Friday 16th
December and
re-opens on
Tuesday 3rd
January

December Superstars!

- Lola C - joining in all activities
- Darsh - super counting and talking
- Zevana - playing with the small world people
- Benji - settling into nursery and listening carefully
- Eve - such a kind friend, sharing toys with others
- Lola D - saying so many words now.

We are proud of you all!

Many thanks for your support in paying 'snack money' - it funds other things for nursery too, such as playdough ingredients.

**Please take care to
walk your child to
the school door.
Let's keep our
children safe!**

Staff news

This December we wish Miss Tudor an exciting delivery as her baby is due very soon - we can't wait to see if it's a boy or a girl!

Sadly, we say goodbye to Mrs Simpson and wish her a speedy recovery.

In January we have Mrs Clark and Mrs Smith coming to join our staff team.
