April 2023

### Caterpillars learning

We love to sing in caterpillars class. Our favourites are row, row, row your boat and teddy bear, teddy bear, turn around. We have been painting, counting, matching colours, building train tracks, roaring like dinosaurs and balancing and climbing every day! We are making new friends too and remembering how to share toys and take turns.

### Butterflies learning

We had lots of news to share about our Easter break and the chocolate eggs and egg hunts we have enjoyed. This week we have been hearing about special celebrations for some of our friends in nursery for Eid. We have been trying hard to control our scissors as we make our lanterns and have talked about family celebrations.

We've got a new roleplay area - it's a Vets. We have ill dogs and cats who need our help!

Keep our  
children safe!  
Please don't  
park on the  
yellow  
zigzags.
