

Caterpillars learning

Caterpillars class had lots of fun with our pumpkin and spider activities in October. We've been playing outside (in the waterproof suits) and catching rain drops, mixing gooey mud in the mud kitchen and finding lots of leaves, spiders and worms. We've been singing Incy wincy spider, Row, row your boat and the wheels on the bus. We had such a great time at the Blue Planet aquarium seeing sharks, fish and much more.

What's coming up at Westminster?

It's World Nursery rhyme week from November 13th so you can expect to hear us singing!

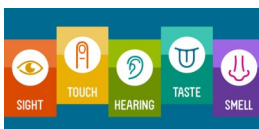

Children in Need day
Friday 17th
November. If you want to join in you can wear something spotty.

Butterflies learning

The children in Butterflies class have been learning about our 5 senses - smelling, tasting, touching, listening and looking carefully. They have been listening for loud or quiet sounds, feeling different textures and describing them and talking about how we grow. The children were very excited to go on their trip to the Blue Planet aquarium and have been keen to look at the photographs and talk about all the creatures we spotted.

Welcome to our school:

Fiona

Huseyin

Alessia

November Superstars!

- Nicolas - building so many models
- Gwennie and Miles—visiting big Butterflies class
- Benji - our animal expert !
- Noah - exploring all the toys now - well done.
- Jovi - so friendly and kind to everyone
- Lotushya - keen to join in every activity!

**For safety:
Please do not
park on the
yellow
zig zags!**

**Toddler time
starts this week
—please ask for
more
information!**

St Paul's Pantry food bank

You were so generous with all your donations—St Paul's wanted to thank us for an amazing **86 kg** of food donated by Westminster Nursery school community.

Have you seen our class blogs?

With photos each week, you can see what your child has been learning.
