

Caterpillars learning

Caterpillars class have been learning all about colours. We have been matching and sort by colour and making beautiful rainbows. We've been thinking about staying safe as we cross the road with our "stop, look and listen" song too. We've been making new friends and trying hard to share the toys and play together.

What's coming up at Westminster?

School photographs
on December 6th

Christmas songs
performance
December 14th at
11am or 3pm

Christmas craft stay
and play December
18th at 10.45am or
2.45pm

Christmas party for
children is on
December 20th
(we are expecting a
special visitor!)

Butterflies learning

In November the Butterflies class have been making firework pictures, taking part in Nursery rhyme week and learning how to cross the road safely too. We've been working hard on improving our skills; listening for different sounds and identifying them, turn taking as we play a group game and our physical skills, handling tools with control, ...tricky scissors! We've been so busy!

December Superstars!

- Patrik - taking turns with the cars
- Korina—lovely singing!
- Arfen—organising football games with his friends
- Pati— so kind to other children
- Reggie—sharing jigsaw pieces - well done!

Holiday dates

School closes on
Friday 22nd

December and
opens again on
January 8th

2024.

Thankyou so much!
The cake sale raised over £50.

Welcome to
our school:
