

Caterpillars learning

We have welcomed some new friends joining us in the Caterpillars class. We've been singing; "Heads, shoulders, knees and toes" and talking about part of our body and discussing feeling happy and sad with "if you're happy and you know it". We've been looking at different sizes of pumpkins, painting firework pictures and poppies and playing listening games using musical instruments. We are taking part in World Nursery rhyme week with a different song or rhyme every day too.

Welcome to our school:

Lola
Darsh
Rhea
Ruby
Benji
Miles

Butterflies learning

November has been busy in Butterflies. Learning has been based around Celebrations and Events with children talking about Diwali, Birthdays and Bonfire night.

We have been reading the stories Kipper's birthday and a favourite traditional tale The Gingerbread Man. We've loved baking our own gingerbread men and playing birthdays in our roleplay area, wrapping presents, writing cards and blowing out candles.

We are joining in World Nursery rhyme week and singing each day!

For your diary:

Children in Need
day Friday 18th
November—wear
something spotty

November Superstars!

- Ishaan - amazing building skills
- Beatrice - so much talking as you play
- Eddie - visiting the Butterflies class and joining in—super!
- Freya - taking part in group games
- Jacinta - always listening so well
- Emil - what a super friend you are, sharing toys and playing!

Get well soon

Mrs Simpson has a plaster cast on her arm— we wish her a speedy recovery!

Please be patient
when coming in
and out of
school—take care
not to rush our
children - little legs
are slower than
ours!

What's coming up?

Thursday 24th November
photographer in school

Tuesday 13th December -
parents invited to join us for
Christmas songs performance
10.30am or 2.30pm followed by
