

### Caterpillars learning

It's Healthy Eating week and we have been talking about yummy fruits and vegetables and how we keep clean and healthy. We've been pretending to be doctors and dentists too. We are singing rhymes and songs every day—our favourite is still sleeping bunnies! We're also having lots of splashing fun with water play in this hot weather.

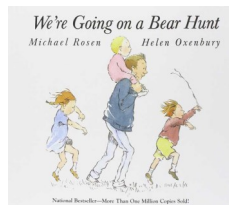

We are so lucky ...on 27th June coaches from Crewe Alex are coming to teach us some football skills!

### Butterflies learning

We're going on a Bear Hunt! We've been through the 'swishy swashy' grass, the forest, the deep, cold river and the whirling snowstorm to find a bear! It's one of our favourite stories to tell and we've been learning all about different locations through the story. We've been taking about sun safety, drinking lots of water and wearing our sun hats and sun cream too.

### Sunday 18th June

Happy Father's day to all our dads, step-dads, grandads, and uncles !  
Enjoy your day!
