

Caterpillars learning

We have been learning all about transport. We have been talking about vehicles which are on the road, the water and others which are up in the air. We've been singing the wheels on the bus, row, row your boat and, of course, sleeping bunnies is still our favourite action song! We are learning about how to stay safe when we are outside, holding an adult's hand when we walk, and crossing the road safely.

Diary date!

Sporty stay and play will be on Friday 16th May (weather permitting) at 10.45am or 2.45pm.

Butterflies learning

In Butterflies class we are learning about different jobs and people in our community. We've already had one visit from the Fire service (for the morning group) and have more exciting visitors coming up. We have been trying out different jobs, including hairdressers, builders, doctors, vets, fire fighters and shopkeepers.

We've been busy in the wildlife area too; planting potatoes, carrots and lots of other seeds. Peep over the fence to see our success so far!

Welcome to our school:

May Superstars!

Melania - making so many friends!
Brianna and Yanis - settling into Butterflies class so well
Erica - joining in so many activities
Felix and David - enjoying football with Coach Fin
Domingos - enjoying so many books.

Superstars!
We are proud of you all.

Could you give some time to support our school? We have a vacancy for a Parent governor if you have some time you could spare.

Do you have a toddler waiting to start?
'Toddler time' is running again each Friday morning in June from 10-11am.
