

A message from Mrs Connor, Headteacher :

It has been a pleasure to see the development and progress of the children during this year. They are so keen to learn; developing their language and friendships every day. Our curriculum has been jam packed with events! Highlights have been our stay and play sessions, visits to the allotments, the fire service, RSPCA and police visits and who can forget Santa making time to join our Christmas party! I would like to thank all the amazing staff at Westminster Nursery for their continued hard work and efforts, our parents for getting involved in all our activities and events and our dedicated Governors who give their time to see our school develop and succeed. Enjoy a lovely summer break and fingers crossed for more sunshine!

A message from Mrs Reed, Chair of Governors;

The governors of our school take their voluntary role seriously, and work hard to support our nursery and its community. The governors work within one or more sub committees such as Premises and Engagement, Finance and Curriculum that meet at least once per term with all the governors coming together for a Full Governor Meeting at the end of each term. (All minutes of the meetings are on the website). Each year governors undertake termly learning walks based around the Early Years curriculum. A skills audit takes place annually and this dictates the training for all governors. We completed training, this year on the Early Years Curriculum, and assessment in school – to name just a few. Our priorities are to engage with all stakeholders and make links with our community, so you can expect to meet some of us at school events.

If you would like the opportunity to become a parent governor ,we have a vacancy open now so please speak to Mrs Connor or Mr Smith.

To all our pupils who are
leaving for 'big' school,
we will miss
you all!

You are
superstars!

Staff news
